

Welcome to the Northern Virginia Criminal Justice Training Academy (NVCJTA) website. Our goal and purpose are to provide continual and cutting-edge training and support to our member agency personnel and the greater law enforcement community. As one of the largest regional criminal justice academies in the Commonwealth, we are authorized to operate by the Virginia Department of Criminal Justice Services. The Academy has been nationally accredited by the Commission on Accreditation for Law Enforcement Agencies since 2004.

With the support of the Academy Board of Directors and our member agencies, the Academy has been successful in developing, implementing, and delivering high quality training to our law enforcement and public safety officials in all capacities and ranks since 1965. Our team of professionals consist of sworn and non-sworn instructors, and administrative and operational staff, all of whom are committed to upholding the highest level of service and are fully dedicated to the success of this Academy.

The basic and professional development training our criminal justice professionals receive at the academy provides fundamental and foundational principles of 21st century policing and assists in their roles as servant leaders in their respective communities.

As you navigate our website you will find useful information about the history of the Academy, the training programs we offer, and our staff.

Thank you for visiting our website and I hope you find the content helpful.
